I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I ~~OBJECT~~ to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Comments: I have the right to
control my own health care!
I've had Chronic Fatigue Syndrome
for 10 years & you have not done
enough research into this. If you
had a treatment protocol I wouldn't have to
treat myself.
